No Jewish Child Denied a Jewish Education

Dear Parents:

The Ottawa Jewish Community School Board of Directors is aware that tuition fees present financial hardship for some families. The Board, through the Tuition Assistance Committee, is committed to the belief that, when funding is available, no Jewish child should be denied a Jewish education due to a lack of financial means. The Board also recognizes that not every family who requires assistance has applied in the past.

The Tuition Assistance Committee, an arms-length committee of the Board that does not consist of parents with a child in the school, reviews the applications under the strictest of confidence. The Board is not aware of who has applied or who has received assistance and only receives information regarding the total amount of funds distributed.

Recognizing the ongoing financial challenges of tuition costs, the Board of Directors has again budgeted for tuition assistance and will continue to review the need for assistance in the future. The Board is also pursuing other avenues regarding the burden of tuition fees and is in discussion with Federation regarding longer-term solutions.

A Tuition Assistance Application Request Form is included in the registration package.

We encourage you to contact Shelley Crawford, Chief Financial Officer for the Ottawa Jewish Community School, at 613-798-4696 ext. 244, or scrawford@jewishottawa.com if you have questions regarding this process.

Sincerely,

Lisa Miller
